Time for Klondike!

Timberline District Klondike Derby to be held in February 28 to March 1 (Fri-Sun). The theme for this year's Klondike is "Leap into the Future".

Winter camping is one of the most challenging of the outdoor adventures. The Klondike campout will provide opportunities for Scouts to test their preparation and skills, and build confidence in their ability to be prepared for successful camping in cold weather.

On Saturday, patrols will travel the Klondike Trail and encounter interesting and fun events requiring Scout skills, creativity and Scouts working together as a patrol.

Local Webelos will be welcome to join us on Saturday.

Location - Reverend's Ridge Campground - Golden Gate Canyon

Look at What we Did:

In December, the Scouts focused on swimming and water sports, which wrapped up with a trip to Underwater Phantaseas in Lakewood to try out SCUBA for several hours. Congrats to Ben H., Finnegan A., Finn D., Matthew N., Johnny O., and Jack M. and having a great time!

In January we worked on First Aid. We went on a hike and encountered an “injured” hiker. We learned how to care for that person and transport them. The Scouts worked one on one to learn the first aid skills required for the Trail to First Class.

We also went on a spelunking adventure in Cave of the Winds and spent the night in the cave.

Upcoming events:

February we will continue with the Winter Camping Theme culminating with Klondike on the 28th

March's theme will be Railroading.

- 3/7 (Saturday) Court of Honor
 - Church of the Hills 3 PM
 - Potluck after the ceremony
- 3/8 (Sunday) Rocky Mountain Train Show at the Denver Mart
- 3/23-27 - Spring Break Family Campout
 - Grand Canyon - Mather Campground - Group site #7
 - This is traditional Scout Family event. It is a non structured gathering for Scout families
 - If interested contact Mike Coff

April's Theme is Woodcarving.
